

7th July 2017

Dear parents/carers of Class 8,

We are delighted to inform you that Class 8 will be taking part in an exciting enterprise project relating to the upcoming Year 6 play 'Lights, Camera, Action!' For our project this year, the Year 5 children will be working together with the Year 6 children to create and sell magnificent magnets and breath-taking bookmarks that will feature the finest designs money can buy- including characters and quotes from the mind-blowing Year 6 play. All the money that we raise will go towards buying new interactive whiteboards for each and every class, which are greatly needed!

For one week only, we will be selling this fabulous merchandise after school from 3:20 to 3:45 outside Class 8 on **Monday 17th, Tuesday 18th, Wednesday 19th and Friday 21st July.** We would greatly appreciate your help and support towards our project and if you could spread the word to family, well-known friends and neighbours that would be a real help!

If your child is able to help out selling our stock after school, please could you let us know which days they are able to help on the form below.

Thank you for your continued support,

Class 8

Class 8 Enterprise Project

I give consent for my child.....to help out selling merchandise after school.

Signed _____ (parent/carer)

Days my child is able to help:

.....

I will pick my child up at 3:45pm

My child can go home on his/her own
