

EYFS newsletter

September 19th 2014

We have had another great week. We're really get the hang of it now!

Reminder

There is a 'Bike it' breakfast on Tuesday 23rd September at 8.15am. We set up a biking course and the children showed us their skills.

We've been mixing colours this week and learning about primary colours. Can you describe what colour we would get if we mixed blue and yellow? What other colour mixes do you know? We had great fun with Mrs Shelton on Wednesday morning and then some children showed their skills outside later that afternoon.

We've been learning some new 'call and Response' songs. Our current favourite is 'Kye Kye kule' (pronounced Chay chay coolay). We'll be learning some Harvest songs soon too. If you find any Autumn things please bring them into school for our growing display. We loved Bruce's box of Autumn finds, and Noah's conkers!

Don't forget to check out our class blog on the school website!

This week we are continuing to learn our phonics letter sounds. We have looked at i, n, d and m. The children have worked really hard to sound out, recognise and try to form these letters. Our phonic display is looking fabulous in the classroom.

The children have done some fantastic home-work. Remembering the letter sounds, having a go at forming the letters and we hear that lots of you have been sharing our Jolly songs at home—fantastic!

We found an enchanted door outside. We had a big long think about what might be behind it. We had some super ideas, fairies, goblins, wild animals and even an ocean full of sea creatures. Can you imagine opening a door to another world?

Next week:

Monday: Please remember to bring your library book to change.

Travelling Ted should return to school today and tell us all about his weekend.

Tuesday: Bike it breakfast
Wellies for Forest Schools

Wednesday: PE kit

Please remember to bring your book bag into school and keep it in your drawer.
