

# EYFS newsletter

September 26th 2014

It has been a busy week for us in class 1. We have been looking more closely at the changes that happened around us in

Autumn. We looked for natural objects in the outdoor classroom, looked at them closely with a microscope and then had a go at drawing them.

## WOW Slips

Outside our classroom is our class WOW box. On the table there are WOW slips which can be filled in by you when your child does something great at home. This might be anything from writing their name, counting to 20, riding their bike without stabilisers, tying shoe laces independently etc. It means we can celebrate achievements together and also gives the teachers a better understanding of what your child can do at home.

There are also a basket of post-it notes on the table outside our classroom. These are for writing down your child's current interests so we can use them in the classroom. We know some of the children love playing with animals and sea creatures. Others are enjoying playing 'superheroes'. Help us make the activities in the classroom engaging to all they children by letting us know what they enjoy playing.

## Homework

Homework books are being collected in every Thursday. The sounds we have learnt this week are o, g, c and k. We love learning and singing the Jolly phonics songs. Ask us to sing one for you!

We love being in the outdoor classroom. This week we have been practising our counting skills. We counted how many fallen leaves we could find. Some of us built really high towers and tried to count the number of blocks in the tower. Then we tried to think what 1

## Next week:

Monday: Please remember to bring your library book to change.  
Travelling Ted should return to school today and tell us all about his weekend.  
Tuesday: Wellies for Forest Schools  
Wednesday: PE kit  
Thursday: Homework books will be collected in and given out again on Friday
