30th January 2015

Nursery Rhymes

Our role play area has been transformed into a Nursery Rhyme cave...come and venture in and see the three blind mice, old king Cole and even the Queen of Hearts.

We listened to traditional rhymes and had a go at changing them on the interactive whiteboard.

We made some jam tarts for the Queen of Hearts. We followed the recipe and instructions. The hardest part was rolling out the pastry! What did you think? Did you manage to get a taste?

Homework

As part of our work on 'Understanding the World' we need to think about the past. We have sent home today a timeline. It would be so useful for our discussions in class if you could talk about past event and fill in the timeline. Thank you so much for your help.

Forest Schools

Blindfold tree Exploring!

We explored the texture of the trees using our sense of touch. Lots of use were told off for 'peeping'!

What are we doing next week..?

In maths we are focusing on 3D shapes; cubes, spheres, cylinders, cones, pyramids and cuboids. How many of these shapes can you spot around you at home?

In literacy we are continuing to think about Nursery Rhymes and rhyming words. We could practise over the weekend by continuing a rhyming string eg big, pig, dig etc.

Week beginning 2nd February...

Monday: Please remember to bring your library book to change. Travelling Ted should return to school today and tell us all about his weekend.

Wednesday: PE kit/Theatre workshop pm

Thursday: Homework books collected in.

Friday: Stay and play

Please remember to bring your book bag into school and keep it in your drawer.
