

# Class 1 newsletter

20th March 2015

## Chick Update...

6 of our eggs hatched, so we have been observing the 6 baby chicks; Gary, Daffodil, Blacky, Snowy, Iggy and Daisy this week.

We thought carefully about the lifecycle of a chicken and wrote sentences about it.

Our creative work, making chicks and hens made us think about the features of a chicken; beak, wings, feet etc and how they are different to humans.

We also thought carefully about other animals that hatch from an egg, we knew ducks hatch and fish come from eggs. Can you think of any more?

## Hansel and Gretel

This week our traditional tale was Hansel and Gretel. Lots of us knew this story really well. We decided it was sad and a bit scary but it had a happy ending!

Some of the children were so inspired by the story they dropped stones behind them in the outdoor area so they would be able to find their way back to class!

## Show and Tell

Next week is the turn of the **orange group**— please have a look on the board outside class 1 to check which children are in the group.

The theme for the week is 'something you have made'. This could have been in school or at home. Last weeks show and tell was fantastic—thank you for sharing your lovely memories

## What are we doing next week?

In literacy we will be looking at the story of the Gingerbread man.

In our maths work we will be looking again at time. Times of the day, week, month etc. Do you know the days of the week? Can you remember our song?

This week we will also be busy in class with Easter activities.

## Week beginning 23rd March...

Monday: Please remember to bring your library book to change. Travelling Ted should return to school today and tell us all about his weekend away.

Wednesday: PE kit. Show and Tell

Thursday: Homework books collected in today

Friday: Toy Day

We finish on Friday at 2.30pm
