

Class Five/Six

Friday 16th October 2015.

Project

Last week we set you your next homework project – to create a song, rap, poem or rhyme about your favourite explorer! We are really looking forward to seeing what you produce, and hopefully some performances! Please make sure your project and/or performance is ready by **Thursday 22nd October.**

Reading

Please continue to try and read at home daily but you only need an adult at home to fill in your record once a week. Remember to bring the Reading Record into school every day so that an adult at school can also fill it in for you once a week.

We use your Reading Records to help us decide who will be the Class 5 and Class 6 Bookworms of the month so it is very important that your reading is commented on.

Spelling

This week we have looked at a range of different suffixes. You have been given ten spellings to learn for your spelling test next week. Please practise the spellings in your homework book by completing the activity on your spelling sheet.

English

Next week in English we will be doing writing linked to the topic for our Science Enrichment Day.

Maths

Next week in maths we will be using looking at position and direction using maps. We will also be using food to help us understand fractions!

Other Notes

Please remember that parents' evening is next week on Wednesday and Thursday. You have been given a time for this.

Class 6 please can you bring in some newspaper. We need lots for an exciting art project we are doing next week so the more the better! Thank you.

Please visit the Class 5 and 6 blogs on the school website to read and comment on what we have been doing in class recently: <http://parkgroveprimary.co.uk/>

Have a lovely weekend!

Miss Clayton and Miss Land.
