

Class 1 Newsletter

16th October 2015

Washing Socks!

This week in the outdoor classroom we had the fun challenge of washing numbered socks and then putting them in the right order. The children did very well at this task and all of the socks are now lovely and clean and have been dried on the washing line!

Harvest Festival

Class 1 were absolutely fantastic at walking down to the church on our first school outing. The singing was very enthusiastic and the behaviour from everyone was excellent. All the staff had huge smiles as we were so proud of them!

Please can we say a massive thank you to all of the parents who assisted with us walking down and we really hope you enjoyed the experience as much as us!

Autumn

We have made some Autumn collages this week to go in our Autumn area. We have all been thinking carefully about what we can see in the Autumn time such as leaves, acorns and conkers. We have also thought about the beautiful colours that surround us during Autumn.

What are we doing next week..?

Next week we will have our Science Enrichment day on Tuesday. This year it will be space themed and we will find out about the British astronaut who is going into space.

We have lots of space themed activities to try and we are even going to try some space food so we can imagine what it is like living in space!

It is also parents evening on Wednesday and Thursday so please check your appointment slip for times.

Week beginning 19th October...

Monday: Bring back Library books

Tuesday: Science Enrichment

Wednesday: PE kit. Homework books in.

Parents Evening.

Friday: Homework going home.

Parents Evening.

Don't forget to check our class blog on the website and leave a comment! Also, please continue to use the post-it notes outside the classroom to tell us about your child's interests!
