11th December 2015

Nativity

The children all did a fantastic job this week in their three nativity performances. They all sat beautifully at the very front of the stage and remembered to sing and smile throughout the performance. Thank you so much to all parents who brought children in for the later performances and we hope you enjoyed the show. The songs are still being sung in the classroom even though we don't need to practice them anymore!

Sharing Presents

This week in maths we have been thinking about sharing presents equally between two people.

We used toys from the Santa's grotto to share amounts up to ten and everyone did a great job at counting how many they got each. We have also been thinking about time and how many things we can do in 1 minute.

What are we doing next week..?

Next week will be a busy festive one.

We have our Christmas party on Thursday afternoon where we will hopefully have a visit from someone very special.

On Friday we have a Toy Day so please bring your toys along and remember we will be finishing at 2.30pm for the holidays!

We are also all invited to perform some Christmas songs on Saturday at St Thomas' church. We are practicing these songs next week so we hope to see you there!

Forest Schools

In Forest Schools this week we used natural objects in the wildlife area to make a Rudolph. Our biggest challenge was to find something red to make his nose, unfortunately there were no red leaves left and therefore it was quite tricky. Some of the children spotted some red berries on a holly bush we decided it was a good idea to leave them alone so that the birds could eat them. The end results of the Rudolph challenge were fantastic and some children even won

a prize for working so hard, well done!

Week beginning 14th December...

Monday: Bring back Library books

Tuesday:

Forest schools pm

Wednesday: PE kit. Homework books in.

Thursday: Christmas party pm

Friday: Toy Day—2.30pm finish

Saturday: Christmas Carols at St Thomas' 10am

Please remember you can still sign up for the parent portal on ILD and add your own photos of activities your children are doing at home. Thank you so much to those parents who have begun to add their own pictures!

Please remember to bring your selected food to the Christmas party on Thursday, thank you!
