Class 7 Assembly – ‘May the Force be with you!’

Dear Parents and families,

We are delighted to invite you to our Class 7 assembly which will be held in the Hall at 9:00am on Tuesday 7th March. The title of our assembly will be ‘May the Force be with you!’ and it will link with our current science work.

We have been learning our lines and song words in school time but would welcome your help over half term to make sure that we continue to remember our parts! With this in mind, we have all taken home a copy of our lines today and it would be great if we could return to school after half term remembering our parts in full!

We would also appreciate any help with costumes that you might be able to provide. If you have any light-sabres in dressing up boxes at home, they would be gratefully received and we have listed your child’s character below so that you can see what sort of costume might be required (none of the costumes will need to be elaborate!).

Please complete the reply slip below to let us know if you will be able to attend our assembly and how many seats you would like. Thank you and we really hope to see you on the day.

Best wishes from
The children and adults of Class 7
