Very important notice  
Internet Safety

Dear Parents,

This is a reminder that if you ever take pictures of children in school (e.g. at assemblies, concerts, sports day) they must never be shared on social media.

It would be best to take pictures of your own children only but we realise that sometimes other people's children might be in the background. Other people's children cannot be used on facebook, twitter or other areas of the internet.

Photos of children from Park Grove can only be uploaded to the internet by school and with full consent from the parents/carers.

If you have photographs of any children from Park Grove, taken at school, on social media, please remove it as soon as possible.

Thank you very much for your support in ensuring we keep all of our children safe on the internet.

Kind regards,

Jo Sawyer
