2nd February 2017

Dear parents/carers,

I am writing to tell you about a very exciting opportunity that we have been given for all of our Key Stage 2 children.

On 16th February, we will take all of the Key Stage 2 children (in groups) to Haxby Road School where they will have the chance to go on a 30 minute 'Google Expedition'. This is a virtual reality experience using full Google 3D kits.

Myself and Mrs Martin will work with a Google team of experts to provide Key Stage 2 children with this wonderful and exciting technical experience.

I am sure the children will be very excited to tell you all about their virtual experience when they return.

If you would like to find out more about 'Google Expedition' please see the link below:

<https://www.youtube.com/watch?v=n29VQwW-03o>

We hope the children enjoy the Google experience. We do not need a permission slip as we already have your consent to walk in the local area.

This is just one of the many fabulous opportunities we are already receiving because of our decision to join Ebor Academy.

For your information, the Key Stage 2 children will all have the chance to work with a specialist art teacher through Ebor this term. Louise Brooke has already started working with the children, as well as training teachers and TAs in art to make the creative experience of art even stronger at Park Grove.

Kind regards

Miss Jo Sawyer
