Dear Parents/ Carers of Class 8,

I am Lucy Youle, a York St John teaching student, currently in my final year and on my final placement at Park Grove Primary School in Class 1. As part of my course, I have a research project which is focused around my subject specialism of PE. For this project, my proposed question is "How do the attitudes towards specific PE sports differ between boys and girls?"

I am writing to ask for your permission for your son/ daughters participation in my research project. In order to collect data for my project I will need to take observations of your child's participation in PE and for them to fill out a short questionnaire about their interests of different PE sports. **All** observations and questionnaires will be kept **anonymous**.

If you have any questions please do not hesitate to ask me, you can find me in Class 1 or contact me via email at lucy.youle@yorkstjohn.ac.uk

I will be happy to provide you with a copy of the questionnaire if you wish.

If you would **not** like your son/daughter to participate in the research, please can you return the reply slip back to the school by the **15th March**.

Many thanks
Lucy Youle
