2nd February 2018

Dear Parents/Carers,

Next half term, we are offering a coding club for year 5/6 pupils.

The club will be lead by two previous Park Grove pupils who are now in Year 8 at Archbishop Holgate's School. They have a keen interest in coding and would like to share their expertise, and I will be assisting the club.

The club will run on Tuesdays after school from 3:30pm until 4:30pm. It will run for five sessions, starting on Tuesday 20th February and finishing on Tuesday 20th March.

Unfortunately, we can only offer 16 spaces for this club. If your child is interested, please return the slip by Thursday 8th February. If we have more than 16 children interested, we will pick names randomly and then you will then be informed by email if your child has a place.

If you have any further queries, please see me in Class 9 or email me at the address below.

Many thanks,

Charlotte Platts
