

Class Eight/Nine

Project

20/06/14

We are looking forward to seeing your amazing writing.

In your dreams you imagine you are the world's greatest footballer. Feel free to link this to the World Cup. You can play for any team and make sure you describe the amazing events that happen during the game.

We would like to see this work in the week beginning the 30th of June but be prepared to tell us a little bit about it next week.

Next week promises to be an exciting and busy time so here are a few reminders:

Robin Hood

Remember we will be script free from Monday the 23rd of June...

If you haven't already brought your slip back about costumes please do so soon so that our props department can get to work!

KS2 Trip

We are really looking forward to our visits on Tuesday. Remember you will need a packed lunch and be prepared for a day out in all weathers! Unfortunately we will not be able to take you without a permission slip so make sure you bring it back in on time.

Year Five

You are also out of school on Tuesday visiting The Joseph Rowntree School. Remember another packed lunch and sensible shoes. We also have a request our hosts that all long hair is tied back. I wonder what we will be doing?! Unfortunately we will not be able to take you without a permission slip so make sure you bring it back in on time.

As part of our Andy Warhol project, we would like you to bring in an empty tin on Monday, please.

Year Six

Remember your swimming kits on Monday.

Library

Remember the library will be open on Monday the 23rd June after school for Key Stage Two family time after school.
