Class 9 would like to invite you to their class assembly themed around their exciting science topic this half term: space! It will take place on Tuesday 28<sup>th</sup> November and will begin at 9 am. The assembly should last about half an hour.

The assembly is a result of fantastic collaborative ideas and work from the whole class, with all children included and having a part within the assembly. We would all love to see you there!

Please complete the slip below, or let me know via Bloomz, to inform us if you are able to come so we know how many seats to prepare.
