

Class 3 and 4 Newsletter

Week beginning 8th September

English

In English this week we will be looking at captions and thinking about the purpose of captions and why we would use them. We will have a go at matching captions to the correct objects and writing our own captions for different pictures. Then we will practise our ICT skills by typing up these captions. Look at the objects around your home, can you write captions to describe what these objects are or what they do? Bring them in to share with us!

Maths

In maths we are comparing and ordering numbers using the value of each digit in the numbers to help us, e.g. 26 is 2 tens and 6 units. We are using signs such as $<$, $>$ and $=$ and playing lots of games to help us. We will also be estimating and measuring the lengths of different objects and using this to solve problems. We are doing lots of work on counting in class and each child will be given a counting target. Please ask them what theirs is and help them to practise this at home.

Topic

Our topic this term is Marvellous Me! (first two weeks) followed by Pirates and Explorers. This week we will be looking at our own personal history, naming body parts and looking at faces and portraits. We will also be spending time getting to know each other and doing lots of settling in activities.

Other Notes

Show and tell starts this week. If it is your groups' turn please bring in an object on any day during your week and we will make time for each child to talk about it in class.

| week beginning: | Group | week beginning: | Group |
|----------------------------|--------|--|--------|
| September 8 th | Red | October 6 th | Red |
| September 15 th | Yellow | October 13 th | Yellow |
| September 22 nd | Green | October 20 th | Green |
| September 29 th | Blue | We will continue after half term beginning with blue | |

Thank you,
Miss Plews, Mrs Hearson and Mrs Carr-Brion
