

Class Eight/Nine

Friday 12th September 2014

Project

Remember that we would like you to choose a dinosaur to research and to share what you have found out with the rest of our class. You can present your research in any way you like: a model, a booklet, a podcast or even a cake! Remember it is most important that whatever you present contains information about your chosen dinosaur, as it will become one of the exhibits at the Park Grove Museum of Palaeontology.

You have until **Monday 29th September** to complete your project. We are looking forward to seeing the results!
