

# Class Eight/Nine

Friday 26<sup>th</sup> September 2014

## Project

Not long left...

Remember that we would like you to choose a dinosaur to research and to share what you have found out with the rest of our class. You can present your research in any way you like: a model, a booklet, a podcast or even a cake! Remember it is most important that whatever you present contains information about your chosen dinosaur, as it will become one of the exhibits at the Park Grove Museum of Palaeontology.

Remember the deadline is **this coming Monday** (29<sup>th</sup> September).

## Spellings

Keep looking at your tricky words! Remember to learn your spelling list for a test next Thursday. If you lose your list, please ask for another in class.

## Maths

Next week we will be solving addition word problems and working out averages from sets of data.

We have set a new MyMaths homework for you to have a go at. Please complete this by Friday 3<sup>rd</sup> October. If you have any issues with MyMaths, please see your class teacher.

## English

Next week we will be writing our scary stories. Please ensure your story contains considerable suspense.

## Other Notes

Letters are coming soon about exciting trips. Please remember to bring in your reply slips as soon as possible. We would greatly appreciate parental help with these trips.

Congratulations to our new school councillors. Your first meeting is on Monday 29<sup>th</sup> September at 9am. Please do not be late!

A big congratulations to everyone who rode on their bike this week. We hope you enjoyed your delicious breakfast!
