

# Class 2 newsletter

September 12th 2014

We're at the end of another really busy week. The children have been really getting stuck into work mode this week. The Year 1 children have written some fantastic labels and captions for different things and I have seen some wonderful party lists! The Reception children have made some fabulous Very Hungry Caterpillar Books too.

I have seen some very impressive throwing and catching skills in our P.E. lessons. Children have been trying really hard to keep their fingers outstretched to catch the ball!

We have had our very first explore with the computers. We spent lots of time understanding how they charge in the trolley, how to plug them in and how to log on. All of the children listened really carefully and thought about what to do!

## Reminder

If you would like your child to take part in the 'Get off Stabilisers' event on the 24th September please return the slip as soon as possible. There are only 2 places left available!

This week we began learning our phonics letter sounds. We have looked at s, a, t and p. The children have worked really hard to sound out, recognise and try to form these letters. We then drew pictures of things we could think of beginning with these sounds.

Homework books have been sent out to help Reception children practise and consolidate these letter sounds at home. The Year 1 children have a very similar book with spellings to practise in the same way.

Homework books will be collected in every Thursday.

Next week we will be starting our 'Pirate Explorers' topic! I'm very much looking forward to making a pirate ship over the weekend!

I have spent some time turning all of the children into pirates already! Argh me hearties!

## Next week:

Monday: Please remember to bring your library book to change.

Tuesday: Wellies for Forest Schools

Wednesday: PE kit

Friday: PE kit

Please remember to bring your book bag into school and keep it in your drawer.
