

EYFS newsletter

September 12th 2014

We have had a great week in Class 1. The children went into their first assembly to listen to a talk about bringing our bikes into school. The children walked down quietly and sensibly and sat and listened really well. Even Miss Sawyer commented on how brilliant she thought we all were. Well done Class 1!

We have really enjoyed role playing in our home corner. Playing mummies and daddies, and doing the housework. We have also loved dressing up as pirates to play in the pirate ship. Lots of children extended their play even more by making treasure maps and telescopes in the workshop area.

Reminder

If you would like your child to take part in the 'Get off Stabilisers' event on the 24th September please return the slip as soon as possible. There are only 2 places left available!

Travelling Ted

Our class bear travelling Ted is going on his travels for the first time today. He will be staying with one child for the weekend before returning to school on Monday to tell us all about it. If your child brings home travelling Ted for the weekend please encourage them to draw pictures, stick in photographs or have a go at writing about what they have done together. This will help the children explain to the class what adventures they have been on with Ted.

This week we began learning our phonics letter sounds. We have looked at s, a, t and p. The children have worked really hard to sound out, recognise and try to form these letters. We then drew pictures of things we could think of beginning with these sounds.

Homework books have been sent out to help children practise and consolidate these letter sounds at home. Homework books will be collected in every Thursday.

We have been very creative in Class 1 this week. Singing songs, making models, painting

pictures and even playing instruments. We have some fantastic artists in Class 1, some children have even been colour mixing to create different colours for their pictures.

Next week:

Monday: Please remember to bring your library book to change.

Travelling Ted should return to school today and tell us all about his weekend.

Tuesday: Wellies for Forest Schools

Wednesday: PE kit

Please remember to bring your book bag into school and keep it in your drawer.
