Pizza!

This week has been all about making pizza! We spent time on Monday thinking about our favourite pizzas and the toppings that we all enjoy putting on them. On Tuesday, we all had a turn at making our own pizzas. We decided to use bread instead of dough to make it a little bit easier. Mrs Rathmell got all of the boys and girls dressed up as chefs! All of the children looked fantastic. It was so lovely to hand all of the children their pizzas at the end of the day and watch their happy faces leave the room.

I think we have a lot of chefs in the making!

Instruction writing.

All of the children used their experience of what they had made to write some superb instructions for making pizza. The Year 1 children were trying really hard to include numbers in their instructions

and bossy verbs at the beginning. The Reception boys and girls were thinking carefully about the initial sounds in the ingredients and some children could even write more than one sound per word. Fab!

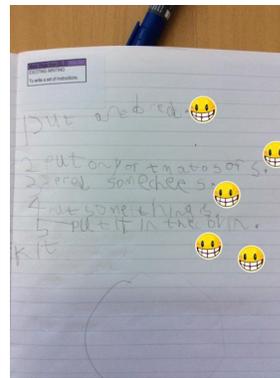

Healthy eating.

While we were making the pizzas we talked about which foods were good for us and which foods we should eat less of. We all agreed that it is best to have a balanced diet of lots of different food groups, with plenty of fresh fruit and vegetables.

Reminder.

It's the Early Years phonics and maths evening next week. It starts at 6pm on Thursday 9th October. Please make sure that you have returned the reply slip so we know how many people are planning to attend. Thank you.

Parent Questionnaires.

A questionnaire was sent out last week which was designed to help us to get an overall picture of your children. It would be very helpful to us if you could complete the questionnaire and return it back into school, thank you.

WOW slips.

Thank you so much for the WOW slips we have received this week. We have shared them with the class. It's great to be able to celebrate our children's achievements from outside of school. Please keep
