

# Class Five/Six

Friday 16<sup>th</sup> January 2015.

## Project

Well done to those of you who have already customised or decorated your new homework books! Our homework projects now last two weeks so please have your customised books ready to bring in before **Thursday 22nd January**. Please make sure that your name and class are easy to read on the front cover of your book but other than that, it's over to you!

## Reading

Reading is part of your homework, so please remember to have an adult at home write something in your Reading Record once a week. We enjoy looking at what you have read at home recently.

## Spelling

You are set new spelling homework each week so please remember to complete this in your new homework books.

You have continued to learn about apostrophes this week, focussing on plural nouns such as *the children's classroom*. For your homework we would like you to write a short story (no more than half a page in your homework books) which includes the use of apostrophes for singular and plural nouns. This will be due in next Thursday, ready to share with the rest of the class.

## Topic

The Jorvik Viking Festival will be beginning on February 14<sup>th</sup> and there will be lots of events and activities for children taking place across the city.

Why not have a look at <http://www.jorvik-viking-festival.co.uk/events/> to see if there are any events you could go to with your family? The author of our next class book ('There's a Viking in my Bed'), Jeremy Strong will be at the Merchant Adventurer's Hall on February 18<sup>th</sup>.

## Maths and Times Tables

Please continue to work on the times table given to you last week.

The My Maths login is: **parkgrove** and the username is: **multiply**. This week's task needs to be completed by **Friday 23<sup>rd</sup> January**.

## Mystery Maths

Well done to Georgia in Class 6 who was our Mystery Maths winner this week. Remember if you would like to take part you need to answer the maths question on our class blogs. When you have worked out the answer, you need to find the number hidden somewhere in Class 5 or 6. You then need to blog the **location** of the answer. (<http://parkgroveprimary.co.uk/>)

## Other Notes

Thank you to everyone who has already returned their home school agreement. If you still have to return yours, please bring it in as soon as possible.
