

# Class Five/Six

Friday 30<sup>th</sup> January 2015.

## Project

Don't forget that your Viking saga is due in on **Thursday 5th February**. Remember that you can present it as an extended piece of writing; a cartoon strip; a picture showing an event from your story; or, you could use your drama skills to perform (and maybe even record) a spoken story. We look forward to seeing them.

## Reading

Keep remembering to make a note of what you've been reading in your Reading Records and bring them in for our Guided Reading sessions.

## Spelling

We will continue to learn about the apostrophe for contraction. We have given you a new list of common words which use apostrophes for this purpose. Please practise spelling these at home and have a go at using each one in a sentence.

## English

The Radio 2 500 word writing competition is back! We will be starting to write our short stories for the competition in lessons.

Please go to: <http://www.bbc.co.uk/programmes/p00rfvk> for more information.

## Maths

Next week we will be using what we have learnt about factors to help us with our division learning.

The My Maths task this week is focused on using knowledge of factors and multiples, following on from what we have been doing in class. The My Maths login is **parkgrove** and the username is **multiply**. Please complete your task by **Friday 6<sup>th</sup> February**.

## Mystery Maths

Congratulations to Logan, the winner of our Mystery Maths challenge this week. A new challenge is on the class blogs: (<http://parkgroveprimary.co.uk/>)

## Other notes

Please bring back your parents' evening slip as soon as possible.

Miss Land and Mr Baines
