

# Class 2 newsletter

30th January 2015

## Year 1

### English

Our learning about information texts will be continuing with the planning and writing of our own. We will be joining forces with the Reception children in the celebration of Chinese New Year and using this as a starting point.

### Maths

Next week we will be revisiting 2D shapes and trying to spot them in the faces of 3D shapes. We will also be looking in more detail at addition and subtraction.

## Reception

### English

Carrying on with our nursery rhymes in the role play area we have been thinking really carefully about what makes words rhyme and how we can spot them in a poem. Can you carry on a rhyming string that starts with dig?

### Maths

We have been looking at doubling numbers and we are starting to look at telling the time.

Our role play area has been transformed into a gingerbread house. In it we have lots of nursery rhymes, dressing up costumes and books. Have you gone in it yet? If you have which part is your favourite?

We have been very busy making gingerbread men. It has been tricky to follow all the steps in the recipe but we have got really good at carefully measuring out the ingredients.

## Next Week

Monday: Please bring library books to change. Piglet needs to come back to school today.

Tuesday: Forest Schools for Reception.

Wednesday: Homework and Spellings handed in please. Theatre Trip for Year 1s and Workshop for Reception.

Friday: PE Kit.
