

## Class 2 newsletter

6th March 2015

### Year 1

#### English

Work on traditional tales continues with looking at the characters in more detail; writing character profiles and interviewing characters to find out more about their personalities.

#### Maths

This week we will be looking at fractions of numbers and learning all about the meanings of the words 'numerator' and 'denominator'.

### Reception

We have been so impressed with all the Reception children this week, you have been brilliant in our class assembly and we were super impressed with your reading during our reading with Class 6. What hard workers you all are.

#### Coming up

We will carry on looking at traditional tales by exploring the story 'Sleeping Beauty'.

We will be looking at 2D and 3D shapes in maths next week. Can you spot any shapes around your house?

### An incredibly busy week!

Our Class Assembly was brilliant! It was great to see so many adults come and support you; it was a huge audience! Everyone did a great job of remembering all their lines and movements. All the other teachers were really impressed.

Yesterday was World Book Day and we loved seeing all your fantastic book character costumes. It was a day of book related activities, we drew story settings and characters and had a really lovely time sharing books with Miss Land's class.

### EGGcellent!

Next week we will be getting some fertilised eggs and an incubator in school. The eggs will be in school for two weeks for us to look at and observe changes. We hope the eggs will hatch by the beginning of the second week in school so we can watch the chicks grow and change. We will be blogging about our observations, so make sure to check the Class 2 Blog.

### Next Week

Monday: Please bring library books to change. Piglet needs to come back to school today.

Tuesday: Forest Schools for Reception.

Wednesday: Homework and Spellings handed in please. Show and Tell for the Green Group, please see letter for more details.

Friday: Red Nose Day—wear something red. PE Kit.
