

## Class 2 newsletter

27th March 2015

### Year 1

#### English

We will be starting a unit on stories in familiar settings. The settings will be the outdoors; in the garden and countryside. This will link to our new topic of 'Green Fingers'. Can you write a descriptive paragraph about the countryside? It would be lovely if you drew a picture too.

#### Maths

We will be looking at the number system and doing a number investigation. We are also going to be having a look at money, time, position and data handling.

#### Topic

Our topic after Easter is 'Green Fingers'. We will be looking closely at plants in science. In Music we are going to be exploring tuned instruments. Our Art will be all about colour.

### Reception

This week we have been celebrating all things Easter. We have been decorating our Easter Tree with beautiful eggs, made baskets and learnt all about the Easter Story.

#### Coming up

Our next topic is 'Green Fingers'. We have got a fantastic role play area planned and Mr Stoner is working on it as we type; we hope you will enjoy exploring it.

Have a lovely Easter Holiday!

We are having a training day on the Monday 13th April. We are looking forward to seeing you all again on Tuesday 14th April.

We will be sharing what we have done during the break on Tuesday so if you have anything that you would like to bring in from the holiday to share with the class that would be lovely.

### Week Beginning 13th April.

Monday: Training Day

Tuesday: Forest Schools for Reception.

Wednesday: Homework and Spellings handed in please.

Friday: PE Kits.
