

Class 2 newsletter

24th April 2015

Year 1

English

We are continuing to look at the Alfie and Annie Rose stories. We will add detail to stories by planning alternative endings which could be realistic or creative.

Maths

In maths we will be using money to make up different values and solve problems. We will continue to work on our addition and subtraction skills.

Topic

We will be looking at where our food comes from in our DT lessons. We will be looking at different foods and decide whether they come from plants or animals. We will also talk about why it is important to eat healthily.

Reception

We have had another busy week this week! We have been doubling numbers, writing super sentences, creating our own tents for our role play and exploring colour by drawing flowers and trees inspired by the artist Lesley Seeger.

Coming up

We will be revisiting shapes including 2D and 3D ones. Can you remember the difference? Have a look around your house for some; can you name them? Work on our familiar settings will be continuing.

Home-School Links Questionnaire

Thank you to those of you who have returned these. If you have not yet returned it we would still appreciate your feedback. These questionnaires are really important because we will be using the information that you provide to help us when we are planning our lessons and provision areas.

Other Notes

As the weather seems to be getting better can we please remind you of the importance of using sun protection. We will be going outside far more often so please ensure that you have a sun hat you can wear. We cannot put sunscreen on in school so please make sure this applied at home. It is also important to have a water bottle in school at all times.

Chicken Run

Please have a check in book bags for the letters about the chickens, if you have not already returned these please do as soon as possible. Thank you.

PE Kits

Please can you make sure that PE bags contain a complete kit. All items should be labelled so that if they do get misplaced they can be returned to the right child.

Next Week

Monday: Library Books please. Piglet needs to come back to school today.

Tuesday: Class 1's Assembly.

Wednesday: Homework and Spellings handed in please. Show and Tell. PE Kits.

Friday: PE Kits.
