

Class Eight/Nine

Friday 5th June 2015

Project

Our topic this half term is local studies and we will be looking at lots of maps of the local area. You have already used mapping skills in school by creating a bird's eye view map of your classroom and navigating around our orienteering course.

For your next homework project we would like you to create a map of your bedroom. Remember that objects will look different from above and can be represented by simple shapes such as squares or rectangles.

If you would like any squared paper or other resources to help you make your map just ask your class teacher.

This homework project will be due in the week beginning 15th June.

Spellings

By next Thursday (11th June) you need to learn to spell the key words we discussed in class today.

Science	Maths
conscious environment equipment physical stomach temperature system shoulder muscle	twelfth forty average

Extension

Write a newspaper article including some of the words.

Other Notes

Monday is 'Let's Bounce' day!!! Remember to come in comfortable clothes and get lots of sponsors. How many times will you bounce in three minutes?

Tuesday is our County Enrichment Day. Remember to try and find out information about the county your class has chosen.
