

Class Eight/Nine

Friday 12th June 2015

Project

A reminder that your bedroom maps are due in next week. The project is...

We would like you to create a map of your bedroom. Remember that objects will look different from above and can be represented by simple shapes such as squares or rectangles.

If you would like any squared paper or other resources to help you make your map just ask your class teacher.

Spellings

By next Thursday (18th June) you need to list some words containing 'ough'. Try to put the words into groups.

Extension

Create a word search including some of the words.

Maths

Next week we will be using algebra in a variety of different contexts.

A MyMaths activity relating to recent work on percentages has also been set. We would like this completed by Friday 19th June.

Other Notes

Class photos will be taken on Tuesday, so remember to bring your best smiles along.

The Year 5s are out of school on Wednesday visiting The Joseph Rowntree School. Remember to bring a packed lunch and to wear trainers. We also have a request from our hosts that all long hair is tied back. I wonder what we will be doing?!
