

Class 3 and 4 Newsletter

12.06.15

English

In English we will be looking closely at the persuasive devices used in many tourist attraction brochures. We will use these to find out our own information, record this information using notes and then write persuasive sentences too. We will create our own brochure using persuasive devices to make people want to visit our wonderful city of York!

Maths

In maths we will be looking at 2D and 3D shapes and describing them. We will also be continuing our work on multiplication by linking it to times tables and doing some division where there is a remainder.

Topic

We will carry on learning about different periods of York history. This week we will focus on the Vikings. We will consider where they came from, why they came to York and how we can tell they were here.

This week we will be having an afternoon of music where we will be listening to pieces of music and adding instruments to them.

Class 4 assembly

Don't forget to keep practising your words for our class assembly on Tuesday.

Thank you,

Miss Plews, Mrs Hearson and Mrs Carr-Brion.
