

Class Eight/Nine

Friday 3rd July 2015

Project

Remember your homework is due on **Monday 6th July**.

For your next project we would like to extend the work that we have been doing on mapping. Your task is to draw a map of your journey to school. You need to think about all the left and right turns you make, which roads you walk down and cross, and what interesting places you pass along the way. Please include lots of pictures of the places you pass on your map. Your map should be so good that I could use it to travel from your house to school!

Be creative with your map. It does not need to look anything like a map you would buy, but it should contain plenty of detail and most importantly, be useable. Once you have made it, try to use it to come to school.

Spellings

By next Thursday (9th July) you need to learn some of the 'fer' words – remember to think carefully about the number of 'r's each word contains.

referring, referred, referral, preferring, preferred, transferring, transferred
reference, referee, preference, transference

English

Following our visit to the Archives in the York Explore Library we will analyse letters of thanks and write some letters of our own. Who do you think we need to write a letter of thanks to?

Other Notes

Don't forget that Monday is sports day! Remember to come dressed in the colour of your house and bring a water bottle.

We will be spending the whole morning on Friday in our new classes.

If you have any lines for the play, please make sure you learn them over the weekend!
