

Class Seven

Friday 11th September 2015.

Project

Today you will be taking home your new homework books which will be used to record your spellings and any of the other written tasks that you might be set over the year.

We'd really like it if you could customise and decorate your new homework books to reflect your personality or interests. Perhaps you could decorate your book with pictures of your favourite hobbies? Maybe you could cover your book with pictures of famous explorers and maps, work by your favourite artists or a range of your own drawings?

Please make sure that your name and class are easy to read on the front cover of your book but other than that, it's over to you!

As usual, this homework project will last two weeks so please have your customised books ready to bring in before **Thursday 24th September.**

Reading

You've been given your Reading Records and it would be lovely if you and an adult at home could each write a comment every week. Remember that we will use your Reading Records to help us decide who will be our Bookworms of the Month so please make sure that you keep them neat and up-to-date!

Spelling

This week we have been working on alphabetical order and using a thesaurus. Please complete the alphabetical order task in your homework books and return it to school by **next Thursday.**

English

Next week in English we will be continuing our writing on exploration.

Maths

Next week in maths we will be applying our number skills to perimeter problems.

Well done for a great first week!

Ms Campbell and Mrs Sellers
