

Class 4 newsletter

18th September 2015

This week we have been...

In English we have been learning all about lists and why we need to write them. We even made our own for the Hungry Caterpillar's brother, the Starving Centipede! We then began learning about captions and we wrote our own for a variety of photographs.

In maths we have been practising our measuring skills by using cubes and centimetres to discover the length of a range of classroom objects. We particularly enjoyed working in groups to measure our different body parts with string and rulers!

Week beginning 21st September

Monday: Please bring your library book back if you would like to change it.

Tuesday: PE kit

Wednesday: PE kit, homework and spellings books

Thursday: Flapjack day, bring 50p if you would like a drink or flapjack at playtime

Friday:

Please remember to bring your book bag into school every day.

What are we doing next week..?

English

In English we will be starting to look at fantasy settings and compare them to settings in different stories. It will also be our first week of 'Exciting Writing' where the children will have chance to show off their writing skills.

Maths

In maths we are continuing to compare numbers and finding one or ten more or less than different numbers. We will also be looking at time, sequencing events and finding out the different units we use to measure time, particularly seconds, minutes and hours.

Topic

In topic we will be looking at how school has changed over time, considering things like uniform, games, technology and class layout.

In science we will be looking at what being healthy means and learning about what humans need to stay healthy. These will include things such as having a good nights sleep and maintaining good hygiene.

In Art we will be looking at the work of Matisse and creating some artwork based on his work.

In Music we will be focussing on singing and performing chants and rhymes.

In PE we are creating some dance based on the discovery of the dinosaurs. It has been lots of fun so far!!
