

# Class 2 newsletter

25th September 2015

This week we loved sequencing events we do in school. The reception children did a brilliant job.

## English

In English we have been looking at fantasy settings in the Johnny Duddle's story 'Gigantosaurus'. We acted out the story and wrote a recount using fantastic sentences.

## Maths

In maths we have been looking at ordering numbers, sequencing events and finding 1 or 10 more or less than a given number.

## PE

The children have loved dancing like a Dinosaur. They were great at making heavy footed herbivores and light stepped carnivores!

Week beginning 25th September

Monday: Library books

Tuesday: Forest Schools—Reception

Wednesday: PE kit, spelling and homework books

Thursday: Flapjack day, bring 50p if you would like a drink or flapjack at playtime

Friday: P.E kit

**Please remember to bring your book bag to school with your reading record each day.**

## What are we doing next week..?

Next Week we are looking forward to starting our new topic HEAR US ROAR!!

Our new area of provision will be a wild animal habitat full of wild and extinct animals.

The children can explore settings and make their own using all sorts of different materials.

## English

In English we will be looking at comparing two different stories, creating our own character profile and moving on to designing our own setting!

## Maths

In maths we will be looking at different methods we can use when adding. We will also be working on our number bonds to 10 and using some ICT to help us speed up our recall. Reception children will explore 2D shapes around the school.

## Topic

In topic we will be carrying on looking at how we have changed since we were a baby and the changes that are going to happen when we get older. Can the children bring a photograph from when they were a baby?

In Science we will be designing and carrying out our own investigation to see how exercise affects our bodies and doing lots of exercises outside.

In Art we will be continuing our Matisse inspired pictures.

In Music we will be focussing on singing and performing chants and rhymes and beginning to learn some songs for the harvest festival.
