

# Class Five/Six

Friday 2<sup>nd</sup> October 2015.

## Project

We hope you are getting on well with your homework project and have come up with some fantastic ideas for your explorer research. We are looking forward to seeing your research and which explorers you have chosen to look at. Remember you have until **Thursday 8<sup>th</sup> October.**

## Reading

Please keep up with reading at home and remember to have an adult comment in your Reading Record once a week. Remember to bring your Reading Record in with you to school each day, though, as we need it for guided reading.

## Spelling

This week we have looked at the suffixes –ed, -ing, -er and –est. You have been given ten spellings to learn for your spelling test next week. Please practise the spellings in your homework book by completing the activity on your spelling sheet.

## English

Next week in English we will be writing letters of persuasion. I wonder who you will be trying to persuade and why...

## Maths

Next week in maths we will be learning different methods for multiplication and we will be setting you a problem solving challenge. We will also be continuing the Times Tables Challenge next Friday. Make sure you practise and learn the times table at home.

## Other Notes

Please visit the Class 5 and 6 blogs on the school website to read and comment on what we have been doing in class recently: <http://parkgroveprimary.co.uk/>

---

We hope you all have a great weekend!

Miss Clayton and Miss Land.
