

Class 4 newsletter

16th October 2015

What have we been doing this week?

A big thank you to family members who visited St Thomas' church for the Harvest Festival. We hope you enjoyed the songs and poem which we performed. After the festival, we were allowed to have some free 'Golden Time' for all our hard work!

In English we have been writing our own stories about dinosaurs, concentrating on a clear beginning, middle and end. The children loved being able to think of creative and unique ideas!

In maths we have been using number lines and hundred squares to help us with our subtraction calculations. We then challenged ourselves by reversing our number bond knowledge to find subtraction facts to 10 and 20.

Week beginning 19th October

Monday: Library books

Tuesday: PE kit

Wednesday: PE kit, spelling and homework books

Thursday: Harvest Festival 9.30am in Church.

Flapjack day, bring 50p if you would like a drink or flapjack at playtime

Green group show and tell this week. Please bring in something which is special to you.

Please remember to bring your book bag to school and hand in your reading record each day.

What are we doing next week..?

English

In English we will be completing another session of exciting writing, breaking down a story and looking at contractions such as don't, shouldn't and can't. We will also be doing a lot of writing activities that should inspire the children to learn more about space on our Science enrichment day on Tuesday.

Maths

In maths we will be looking at 2D and 3D shapes and describing them using mathematical words such as faces, vertices and edges. Can you find some objects and say what shape they are? We will also be creating repeating patterns using objects and sounds.

Topic

In Topic we will be looking at how children stay healthy and keep safe all over the world.

In Geography we will be researching a dinosaur fossil which was found in the local area and presenting a news report of its discovery.

In Science we will be becoming weather reporters and pretending we are on Look North presenting the weeks weather news

In Art we will be continuing our Matisse inspired pictures. We are so proud of them!

In Music this week we will be beginning to look at pulse.

In RE we will be looking at how children are welcomed into the church.
