

# Class 3 newsletter

16th October 2015

## Harvest Festival

It was probably Mr. Gardiner who stole the cookie from the cookie jar!

Thank you to all the parents who visited the church to see the children perform songs and a poem in this years Harvest Festival, didn't they do well!

In English we have been writing our own stories about dinosaurs, concentrating on a clear beginning, middle and end. We also wrote a recount about what we did at the Harvest Festival.

In maths we have been using number lines and hundred squares to help us with our subtraction calculations. Although it has been tricky, the children have worked very hard to make sure they are becoming more accurate in the work that they complete.

Week beginning 19th October

Monday: Library books

Tuesday: PE kit

Wednesday: PE kit, spelling and homework books

Thursday: Harvest Festival 9.30am in Church. Flapjack day, bring 50p if you would like a drink or flapjack at playtime

Friday:

Please remember to bring your book bag to school and hand in your reading record each

## What are we doing next week..?

### English

In English we will be completing another session of exciting writing, breaking down a story and looking at contractions such as don't, shouldn't and can't. We will also be doing a lot of writing activities that should inspire the children to learn more about space on our Science enrichment day on Tuesday.

### Maths

In maths we will be looking at 2D and 3D shapes and describing them using mathematical words such as faces, vertices and edges. Can you find some objects and say what shape they are? We will also be creating repeating patterns using objects and sounds.

### Topic

In Topic we will be looking at how children keep healthy and safe all over the world.

In Geography we will be looking at a dinosaur that has recently been found locally (Whitby!)

In Science we will be becoming weather reporters and pretending we are on Look North presenting the weeks weather news

In Art we will be continuing our Matisse inspired pictures. We are so proud of them!

In Music this week we will be looking at the pulse in a song.

In RE we will be looking at how children are welcomed into the church.
