

Class Five/Six

Friday 13th November 2015.

Project

Remember that your next homework project, a short story about a space adventure, is due in next **Thursday (19th November)**. Please write this in your homework books if possible. We look forward to reading your imaginative tales of space!

Reading

Please continue to try and read at home daily but you only need an adult at home to fill in your record once a week.

Spelling

This week we have looked at spellings containing the phonic sounds i and ow. You have been given ten spellings to learn for your test next week. Please practise them in your homework book by completing the activity on your spelling sheet.

English

Next week in English we will be writing a newspaper report.

Maths

Next week in maths we will be continuing our fraction learning by starting to add fractions with the same denominators.

Remember to also practise your 11 times time for the second week of this table in our Times Table Challenge!

Other Notes

Please visit the Class 5 and 6 blogs on the school website to read and comment on what we have been doing in class recently: <http://parkgroveprimary.co.uk/>

We are trying hard to fix My Maths and we will let you know as soon as it is up and running again!

Have a fun weekend,
Miss Clayton and Miss Land
