

Class Five/Six

Friday 20th November 2015.

Project

Well done, we heard some fantastic stories this week from the perspective of an astronaut landing on a new planet.

For your next project we would like you to produce a chronological timeline. The content and presentation of your timeline is entirely up to you! You could create a timeline showing the key events in your own life or the life of someone else you know well. Another idea is to pick the significant events in the history of a particular country. A timeline of space travel could also work well.

We look forward to sharing your timelines in class before **Thursday 3rd December.**

Reading

Please continue to try and read at home daily but you only need an adult at home to fill in your record once a week. Remember to bring your reading record into school **every day** so that an adult at school can write in it once a week.

Spelling

This week we have looked at the prefixes un-, dis- and mis-. You have been given ten spellings to learn for your spelling test next week. Please practise the spellings in your homework book by completing the activity on your spelling sheet.

English

Next week in English we will be beginning to plan and write our own sci-fi stories.

Maths

Next week in maths we will be looking at comparing and rounding numbers to help us solve problems. You have been given your three times tables. Please remember to practice them by using your booklets to help you.

Other Notes

It is DT enrichment week next week. On Monday afternoon classes 5 and 6 will be making pizzas! Please wear clothes that you don't mind getting a bit dirty whilst we are baking and cooking!

Please visit the Class 5 and 6 blogs on the school website to read and comment on what we have been doing in class recently: <http://parkgroveprimary.co.uk/>
