

Class Five/Six

Friday 27th November 2015.

Project

Your timeline project is due in to class next week. We have asked you to produce a chronological timeline. The content and presentation of your timeline is entirely up to you! Ideas you could use: the key events in your own life or the life of someone else you know well; the significant events in the history of a particular country; a timeline of space travel could also work well. Good luck with this project!

Reading

Please continue to read at home daily but you only need an adult at home to fill in your record once a week. We will be picking our Bookworms of the Month next week so please fill in your record this weekend.

Spelling

The spellings for this week include the prefixes in- and im-. You have been given ten spellings to learn for your test next week. Please practise them in your homework book and complete the activity on the sheet.

English

Next week in English we will be continuing to write our sci-fi stories!

Maths

In maths we will be looking at 3D shape next week.

Remember to also practise your 3 times table for the second week of the Times Table Challenge.

MyMaths is working again! We have set you number homework this week. You have your individual homework log-ins but to access the website the school username is: *parkgrove* and the password is: *multiply*.

Other Notes

Don't forget next week:

- Our annual school Christmas tree decorating will be on Tuesday 1st December at 3:20pm.
- The Park Grove Christmas Fair is on Friday 4th December. Please come along and enjoy the festive spirit!

Have a great weekend, Miss Clayton and Miss Land
