

# Class Five/Six

Friday 11<sup>th</sup> December 2015.

## Project

Your last homework project for this term is due into class before **Wednesday 16th December**.

Remember that we would like you to imagine that you are somewhere in space and create your own space setting. It could be out in the galaxy, on one of the planets we have studied or even a new, undiscovered planet you've imagined yourself!

Please remember to write some descriptive sentences to go with your setting.

## English

Next week in English we will be completing Christmas writing.

## Maths

In maths next week we will be completing a Christmas problem!

Remember to also practise your 4 times table for the second week of the Times Table Challenge. We have set you a task to help with this on My Maths. You have your individual homework log-ins but to access the website the school username is: *parkgrove* and the password is: *multiply*.

## Other Notes

Next week:

- It is the KS2 Christmas Party on Tuesday. Please bring in some party food to share with your friends in class as well as a space-themed costume to change into in the afternoon. This is also the day that Tim Peake will blast off from Earth to the ISS!
- On Wednesday you will enjoy your school Christmas dinner if you have booked this.
- We will watch Christmas films with Class 7 on Thursday afternoon.
- The last day of school is Toy Day. Don't bring any expensive or electronic toys into school. Please remember that we will finish school at 2:30pm that day.

---

Have a relaxing weekend, ready for your final week of the term at school!

Miss Clayton and Miss Land
