

Class 2 Newsletter

11th December 2015

What have we been doing this week?

English

We have been writing our instructions on how to make a wizard's hat. All the children thoroughly enjoyed both creating these and writing, using our bossy words.

Maths

Within Maths we have been learning about amounts of money by adding different amounts of money together to buy different objects.

DT

The children have made Alexander mobiles in Art, where they were working on balancing objects on pipe-cleaners equally.

The highlight of this week was, without a doubt, the Christmas Nativity. Each and every one of the

children were fantastic and really helped make the play a special event for staff and the audience to watch. The school can't thank you enough for the amount of effort you put in at home to help the children

learn all their lines and all of the songs.

We hope you thoroughly enjoyed the performance. The children did a great job and are still singing the songs around the school.

Week beginning 14th December

Monday: Library books

Tuesday: Forest Schools—Reception

Wednesday: PE kit (jogging bottoms please), spelling and homework books

Thursday: Christmas Party (Don't forget your food)

Friday: Toy Day

Please remember to bring your book bag to school with your reading record each day.

What are we doing next week...?

RECEPTION CHILDREN:

Christmas Carol Concert—10am Saturday 19th December at St Thomas' Church. Please bring your family and friends. (Invitation in book bags)

English

In English we will be writing letters to Santa Claus as we become more excited for Christmas day.

Maths

In Maths we will be taking part in a lot of activities that are based around Christmas. We will be using the laptops to play lots of Maths games and develop our ICT skills. As always we will continue to do lots of counting in class to practise our mental counting skills.

Topic

In RE we will be thinking about our Christmas Story and why it is important to Christians.

In Art we will carry on looking at artist Alexander Calder.

In PE we will be playing lots of different games in the gym that are based around the gymnastics we have been learning over this half term.

Some lessons will not be happening next week due to the Christmas party and toy day.

Thank you for all your help and support over the past half term—especially with the Christmas play. I hope

the children have enjoyed the term and we are so proud of them!

One week to go until the Christmas Holidays are more importantly...rest!
