

Class Seven

Friday 15th January 2016

Project

Remember for your next homework project we would like you to choose one famous Victorian to write about in an information booklet. We will display and use the information booklets during lessons this term

Famous Victorians you may wish to write about are:

- Queen Victoria herself!
- Isambard Kingdom Brunel Famous engineer, who designed the Clifton Suspension Bridge and the Great Western Railway.
- Alexander Graham Bell Inventor of the telephone. Many inventors were working on similar ideas at the same time as him, but he was the first one to succeed.
- Joseph Lister A surgeon who realised the importance of keeping wounds and equipment clean and germ free during operations.
- Lord Shaftsbury A politician who helped to improve children's lives during Victorian times.
- Charles Dickens A novelist who wrote many famous books that we still enjoy today such as Oliver Twist.
- Robert Peel Prime minister twice during the Victorian times. He created Britain's first ever Police force

You can choose how to organise the information and illustrations within your booklet. Try to think creatively about the presentation of your work. Remember that it needs to appeal to other children your own age and should be interesting to read and look through, as well as useful and informative.

Please have your project ready to present to your class on **Friday 29th January**. Good luck and we are looking forward to seeing your finished pieces.

Maths

Next week we will return to looking at time and building in our learning about Roman Numerals. Look at your clocks at home – do any of them have Roman Numerals? Don't forget to keep learning your times tables – you know your table targets.

English

This week we started to look at the features of biographies. Can you remember what they are? Next week we will write the biography of a famous Victorian.

Spellings

Remember your spelling test next Monday on the words you were given this week.

Other Notes

Please remember to bring back your swimming reply slip as soon as possible.
