

Class Five/Six

Friday 22nd January 2016.

Project

Remember that our topic this term is the Victorians so for your next homework project we would like you to choose one famous Victorian to write about in an information booklet.

You can choose how to organise the information and illustrations within your booklet. Try to think creatively about the presentation of your work. Your booklet needs to appeal to other children your own age and should be interesting to read and look through, as well as useful and informative.

We will display and use the information booklets during lessons this term. If you need any ideas about famous Victorian men or women, please speak to Miss Clayton or Miss Land.

Please have your project ready to present to your class on Thursday 28th January.

Spelling

This week we have looked at further spellings with the -ly suffix. You have been given ten spellings to learn for your test next week. Please practice them in your homework book by completing the activity on your spelling sheet.

Maths

In maths next week we will be revisiting multiplication and division.

You have been given your eight times tables. Please remember to practice them by using your booklets to help you.

We have set you a task on My Maths. You have your individual homework log-ins but to access the website the school username is: parkgrove and the password is: multiply.

English

Next week in English we will be continuing to explore the work of Edward Lear.

Other Notes

On Tuesday it is topic enrichment day and our theme is the Victorians. Remember you can come dressed up as a Victorian if you wish.
