

Class 4 newsletter

29th January 2016

What have we been doing this week?

What a fantastic day we had on Tuesday for our China Enrichment Day! The class loved splitting into their 'home' groups and having the opportunity to spend the day learning with children from different classes. We made Chinese crafts from paper with our visitors, learnt about endangered Chinese animals and made some beautiful lanterns too!

We were delighted to welcome back Ms Savoia this week!

We have certainly missed her Art lessons a lot! Here's what we were working on this week...

Week beginning 1st February:

Monday: Library books.

Tuesday: PE kit.

Wednesday: PE kit, spelling and homework books

Thursday: Flapjack day, bring 50p if you would like a drink or flapjack at playtime.

Green group show and tell, please bring in something which shows a hobby of yours!

Please remember to bring book bags and guided reading records to school each day.

What are we doing next week..?

English

In English we will be beginning our work on poems and learning about rhyme and alliteration. We will also develop our descriptive skills further by using similes.

Maths

In Maths we will be learning all about time by reading the clock hands and drawing our own clock hands on to show the hours and minutes. We will also be sequencing intervals of time by comparing seconds, minutes and hours.

Other subjects

In Science we will be thinking about different animal habitats.

In PSHE we will be setting ourselves a personal target to work on.

In Art we will be doing more China related art and crafts.

In PE we will continue developing catching and throwing skills.

We will be starting Computing next week and learning how to program using Purple Mash on the laptops.

Please remind children not to bring toys into school unless it is for their show and tell!
