

# Class 3 newsletter

15th January 2016

## Homework

Spellings will be going out tomorrow and are focused on the 'ee' phoneme with alternative graphemes of the sound as well. Can you think of your own words that contain the 'ee' phoneme?

## What have we done this week?

In RE we looked at things that are right and wrong in life and the children thought of lots of different examples. We then looked at The Ten Commandments that Christians follow (one of the main religions of China - our topic this half term!) and which ones may be applicable to our own lives.

In PE I've just found out that we have some fantastic throwers and catchers in Class 3. I was so impressed with their skills that they were able to show off — keep up the good work and practise, practise, practise at home if you like!

In English we looked at the story behind the Chinese Zodiac and discovered how the cheeky rat won first place in the Jade Emperor's race. It appears that most of the children in the class were born in either the year of the ox or the year of the rat. Mr. Gardiner was born in the year of the monkey and Mr. Symonds was born in the year of the Dragon!

## Next Week

English - we will be looking at a story called 'The Owl Babies'.

Maths - we will be looking at how to measure capacity.

Science - we will be looking at how many ways we can group animals together.

Wednesday - spellings and homework book.

Thursday - flapjack day so bring 50p if you want one!

Show and tell: Red group.

**Bring your reading record every day!**
