

# Class 2 Newsletter

5th February 2016

## What have we been doing this week?

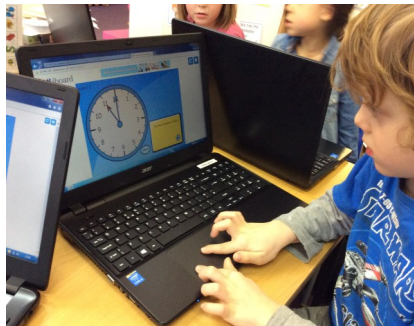

### Poetry

Thank you for sharing your Dr Seuss books. We loved reading the fantastic blends of rhyme, repetition and rhythm! The children read out loud their favourite poems using lots of expression and their best speaking voices.

### Time

We have enjoyed learning about the language of time using ICT. We also made our own timetable to show activities in a school day.

### Science

We looked at the body parts of animals and matched the correct labels. Please take a look at our brilliant work in our Science books.

**Spellings this week are focussed on the alternate spelling of the phoneme 'oe'.**

## Week beginning 8th February

Monday: Library books

Wednesday: Parents Evening, PE kit, spelling and homework books

Thursday: Parents Evening.

Friday: P.E KS1 Assembly. Break up for half term

**Please remember your child needs jogging bottoms for P.E on Wednesday as the children will be outside. Thank you.**

## What are we doing next week...?

Exciting Writing—we will be getting out our quiet creatures to help us with our Exciting Writing!

### Poetry

We will continue looking at poetry and will be writing our own poem.

### Exploring differences between cultures.

The Reception children will be looking at photographs of how New Year is celebrated in China and comparing it to our traditions.

### 2/3D Shapes

The children will be looking at 2/3 D Shapes and discussing their properties. Can you make a list of all the 3D shapes you can find around the house?

### Science

The children will self-assess how well they have done learning all about different animals and their structures.

In R.E we will continue to discuss making the correct choices in life.

In Art we will continue looking at Chinese related Art.

In P.E we will continue to develop our catching and throwing skills.

### Stay and Play

Please come to our Stay and Play sessions. We have so much fun!  
(Reception only)
