

# Class 3 newsletter

5th February 2016

## Hello and welcome to Class 3!

This week we welcomed our new PE teacher, Mr. Middleton, into the class this and we very much look forward to continuing our sessions provided by the Total Sports team.

## Homework

Spellings are going out today and will have a focus on the 'oa' phoneme. Can you think of any words that contain this sound?

## Next Week

English - we will be looking at writing our very own shape and acrostic poems.

Maths - we will be looking at multiplication and shape.

Wednesday - spellings and homework books in.

Thursday - flapjack day so bring 50p if you want one!

Show and tell: Orange group.

**Bring your reading record every day!**

## What have we done this week?

On Monday the children were introduced to, and explored, a lot of different poems that each had a different style. We discussed how some poems use rhyme and rhythm whereas others don't. Can you remember what made acrostic, shape and haiku poems special?

All week we have been looking at telling the time (some children looked at intervals of 5 minutes!). It's one of those things that can always be practised almost wherever you are and at whatever time so please do practise lots at home or out and about.

In PE on Tuesday we carried on practising our throwing and catching skills and applied them in a game where the children had to race against the clock to pass a ball to each other and throw it through a hoop.

On Wednesday the children had a special lesson taught by Miss Sawyer where they were using 'ambitious vocabulary'. There were lots of brilliant, fantastic, super pieces of work all of which Miss Sawyer and I were very proud of. Well done Class 3.
