

Park Grove
PRIMARY ACADEMY

1st February 2018

Dear Parents/Carers,

On Friday 9th February we will be holding a Music Enrichment day.

Throughout the day the children will be taking part in a wide variety of music based workshops and activities, which we are running in partnership with York St John University and York University music students.

The activities include composing music, drumming, vocal workshops, and playing percussion instruments as well as many more! There will also be lots of opportunities to listen to different pieces of music and songs.

This will be a fantastic day for the children and raise the profile of music in school through the range of workshops and also by discussing the benefits of listening to and playing music. We will finish the day with a celebration assembly and start the half term holiday on a high!

We'd like to thank one of our parents, Mrs Catherine Birch for working with us on this project, coordinating and supporting the students with their activities.

Many thanks,

Vicky Hearson
