#### **PARK GROVE PTA MEETING**

## 2nd May 2017 - 7.00 pm at the Gillygate Pub

Attendees: Janet Jacobi (JJ), Mark Allison (MA), Siona Mackelworh (SM), Jon Cotton (JC), Will Gardiner (WG)

#### 1. Apologies

Alison Smailes-Phillips (ASP),

#### 2. Funding Requests

Natalie Martin had requested funding for the KS1 trip. We discussed that we would be happy to make a contribution towards the trip and cover the cost of the coaches (approx £700).

MA discussed about cash flow for the next few months. We need £3000 in the bank for next term which could be achieved with our planned fundraising (Disco, Ice creams and Summer Fair).

JS had submitted a request for some funding for new smart boards for the classrooms (ones that do not need projectors). The approximate cost would be £27,000.

We agreed that we would be happy to pay once again £1000 as a contribution to the IT equipment needed in school.

## 3. Summer Disco

JC explained the plans for the DJ and music requirements (It was good that Minnie was there too and could supply any additional information). He would need a link to the internet so that he could activate his Spotify account/play list.

Volunteers - we identified that this was a tight one to organise due to the two short weeks since returning after Easter and the volunteer sheet needed urgent promotion.

May/June - Ice cream sales - start these again soon? (JJ confirm this with JS)

July - Bag2school 19th July

# <u>A.O.B</u>

Lorna Hamilton's Research project - we agreed that this was fine to promote on the FB site

Minutes - JJ declared that some of these have disappeared from the Website twice now in the past year - usually as a consequence of the website being updated by the internet managing company. On the two previous occasions, the minutes have been retrieved and reposted. However, WG declared that the site will be changed again now that PG is an academy and we should be aware of that. We agreed that it is important that the minutes are available at all times and JJ will keep and eye out on the new website when it is developed/available.

Academy status - we discussed if the PTA will need to change/update it's name? Check with JS
